A Reading

(7 marks)

A.1.) Read the following passage.

Once upon a time ,a wolf ate very greedily and quickly. As a result, a bone stuck in his throat. Now he was in big trouble. He could not get the bone out. He howled and ran up and down, jumped this way and that, but could not get the bone out. He asked every animal he met to take the bone out. He said he would give a handsome reward.

A kind crane saw his pain and offered to help. He put his long beak in the wolf's throat and pulled out the bone. The wolf's pain was relieved. The crane waited for his reward but the wolf did not give any. Finally, the crane asked him for the reward.

The wolf pretended to feel hurt. He bared his teeth and said, "Have I not given you a very big reward? Have I not spared your life? Can any other bird say that it had puts its head in a wolf's jaw and came out alive? Now run away."
